

Route description Airport – Egg/ZH

From the following description you can see, how to get to the Pelikan Hardcopy company in Egg:

- From the Airport Kloten you have to take the Highway in direction **St. Gallen/Winterthur**. After that in direction **Uster/Rapperswil** (Pay attention: the highway signs here in Switzerland are green and not blue)
- Take the exit Highway-end (**Uster Nord**), and than turn right in direction Uster

Go ahead over the train crossing (on the right-hand you can see the train station) and keep on till you get to an oval circle. In the circle take the second exit in direction **Meilen**.

Follow this street until you get to the next circle in **Riedikon** (filling-station AGROLA). There you also take the second exit in direction **Egg/Mönchaltorf**.

You will pass on the right side the lake of Greifensee. When you get to the end of the lake turn right (direction **Egg/Meilen**). After a long straight street follows a upward curvaceous street. Keeping on this street you will cross the freeway entry/exit. Now you are in **Egg**, on the right-hand you can see the black building from Nikon. Take the next turn to the left (direction sign “Gewerbstrasse”) and after 50 m again to the left. Now you are in the **Gewerbstrasse**. On the left hand side no. 9 is our company situated (green building).

The whole drive takes you about 35 minutes.

We look forward to welcoming you.

Yours sincerely,

Pelikan Hardcopy Production AG
